

QUEENS WOMEN'S BASKETBALL

SUMMER 2022 CAMPS

****COVID-19 ADAPTED FOR SAFETY & STUDENT-ATHLETE WELLNESS****

Welcome Queens Basketball Camper and Family!

We are looking forward to seeing you at our 2022 Queens University of Charlotte Summer Camps. This year's Camps will certainly be different as we are all adjusting to new protocols due to COVID-19. It is of the utmost priority that we follow all local and state guidelines in relation to every safety measure associated with COVID-19 in particular [North Carolina Department of Health and Human Services Guidance](#) (NCDHHS).

We believe in the importance of sports, in particular basketball, to our community and want to provide an opportunity for participants to get a taste of our collegiate level training, as well as an opportunity to compete in front of our staff in a safety conscience environment.

This information packet includes pre-camp requirements, daily camp procedures, important COVID-19 adaptations, and a detailed outline of how we are fulfilling all recommendations provided by NCDHHS. **Please note this protocol may change by the date of the camps based on the CDC guidelines.** If you have any questions please contact Head Coach Jen Brown (brownj16@queens.edu) or Assistant Coach Andre Gibbs (gibbsa@queens.edu). Thank you again for being part of our Queens Women's Basketball Camps. We sincerely appreciate your assistance in helping us ensure we all are safe, learning, and enjoying the game of basketball.

Sincerely,

Jen Brown
